

Open Position:

Credit Buyer/Customer Service

About the Opportunity:

Position requires an enthusiastic individual with excellent customer service skills to make lending decisions on applicants applying for credit at an automobile dealership. Must be able to handle heavy call volume with auto dealerships and Marketing Reps. Must have strong communication, customer service and analytical skills. Customer service, sales, and/or auto finance experience is a plus.

About the Company:

CPS is a national auto finance company specializing in financing consumers with past credit problems. CPS has been in business for 20 years and serves over 4,000 auto dealers across the U.S. The CPS finance program allows customers with past credit problems to drive a reliable later model used car while rebuilding their credit with on time payments.
