

**Open Position:**

Originations Underwriter/Funding Specialist

**About the Opportunity:**

Position requires an organized individual who can multi-task to review and resolve funding packages from automobile dealerships. Must be capable of handling heavy communication with auto dealerships and Marketing Reps. Strong analytical and customer service skills are necessary. Customer service and/or Auto Finance experience is a plus.

**About the Company:**

CPS is a national auto finance company specializing in financing consumers with past credit problems. CPS has been in business for 20 years and serves over 4,000 auto dealers across the U.S. The CPS finance program allows customers with past credit problems to drive a reliable later model used car while rebuilding their credit with on time payments.
